

2010 World Finals Payout Schedule

NHRDA 2010 World Finals is an invitational only event.

Competitors must have competed at one of the 24 divisional events during the 2010 season and earn points at event. The top 16 competitors in each class from each division will earn an invitation to the NHRDA World Finals on September 25th 2010 at Heartland Raceway Park in Topeka Kansas. After receiving invitation competitors must pre register online at www.nhrda.com and purchase registration and bring to event to show proof of payment. If any competitor declines the invitation the NHRDA will contact the next competitor that has qualified for finals and award him with an invitation. This process will continue until the 16 competitors have confirmed their appearance at the World Finals.

All 2009 Divisional and Regional Champions have earned an automatic invitation to event but they also must pre register on line and bring proof of purchase to event.

All competitors that pre register still have to pass tech inspection the day of the event to be able to compete in the World Finals.

Below is a detailed payout schedule and is based on competitor participation. Final payouts will be determined the day of the event and will be based on the amount of competitors in each class that competed at the event.

The NHRDA will guarantee at least the 50% payout schedule if any classes do not meet the minimum truck count. (note all competitors must complete redemption form and W-9 to receive payment)
