**Competitors:** All competitors must have current NHRDA membership and comply with all rules and regulations to be awarded points at sanctioned event. If competitor is disqualified for any reason all points would be null and void.

**Inclement Weather Rule** – In the case a race is cancelled before any qualifying runs are made the NHRDA will attempt to have the race rescheduled. If the track is unable or unwilling to give the NHRDA a reschedule date, 10 points will be awarded to all racers that have purchased and turned in their tech card. If any qualifying or elimination runs are made championship points will be awarded as follows: (*NOTE: Tower Records will be used to determine points awarded*)

**Race Cancelled During Qualifying**— In case a race is cancelled during qualifying, 10 points will be awarded to all racers that have turned in their tech cards. Classes that complete at least one qualifying session will be awarded 10 championship points.

**Race Cancelled During First Round Eliminations** – In case a race is cancelled during the first round of eliminations, qualifying championship points will be awarded. Competition classes that complete the first round of eliminations will be awarded points in the normal manner.

**Race Cancelled During Subsequent Rounds**— In case a race is cancelled after the first round, championship points earned will revert to the last complete round of eliminations. Competition classes that complete subsequent rounds of eliminations will be awarded points in the normal manner. This includes bonus points if the race is cancelled during the final round of competition.

**Entry Fees:** If a race is cancelled before any qualifying runs are made some tracks will offer a refund. Most will only offer a rain check for a subsequent race at that track. The NHRDA is not responsible for track refund/rain check policies.

**Competing In More Than One Class:**

Members wishing to compete in more than one class must purchase a separate tech card for each class and pass tech for each class. When competing in more than one class it is the responsibility of the driver to make it to staging when called if competitor does not make to staging lanes it will result in automatic disqualification.
